

## CPFI President Report 2016

I am completing my 3<sup>rd</sup> year as President of CPFI. I continue to enjoy this role and feel blessed to serve in this capacity. Under the new Bylaws I can serve as President for one more year before I have to relinquish my role as President and assume the role of Past President for two years. Thank you for placing your confidence in me. I have tried to meet needs, respond in a timely manner to all requests and provide oversight to CPFI activities. I have had weekly conference calls with the Administrative Director to help assure timely response to any problems, needs or questions. I am unaware of any critical issues facing CPFI that needs immediate attention or resolution. The Board will be updating the Strategic Plan at this summer 2016 meeting. This will set goals for CPFI that I will try to help implement as your President. One issue I hope we can discuss with the Board is should we work differently with CMDA. We have moved to their offices but we have not done much differently than we did before the move.

Respectfully submitted
