Regions

- Of our 9 regions, 6 are filled with regional directors.

NSC

- Conducted 4 video call meetings since 2018 annual meeting.
- Former NSC Chairperson, Ashley Devaughn, spoke at the prayer breakfast at ASHP midyear in December 2018

- Pakou Vang was asked to assemble a student task force to redefine the criteria around our CPFI student missions scholarship program.

Goals

- Contact chapters listed as “active” and inquire about student membership. Remind them that at least 1 student member must be active in order for a chapter to be active. Update our records accordingly.
- Maintain our role as CPFI observer in the APhA-ASP house of delegates.
- Elect new officers at this year’s student retreat.

Respectfully submitted,
