As reported to the board at our last meeting November 19, 2021, the committee had made 83 calls, emails, and or texts to graced or lapsed members that yielded a 25% renewal rate (21 renewals).

Since our November 19, 2021, meeting 42 additional contacts were made yielding a 21% renewal rate (9 renewals). The committee is currently working on a list of 37 names. For the current fiscal year, 162 graced or lapsed members will have been contacted.

As reported last year, Nena Lindrose does several steps in pursuing membership renewals. The initial process starts with sending out renewal notices followed by a schedule of multiple reminders to renew. When members enter a grace period and then lapse the membership committee initiates their efforts to contact and encourage renewal. Nena provides the committee with a spreadsheet of names. The committee member calls, emails, and/or texts the respective member.

CPFI is grateful to all our members who have renewed their memberships through the Covid-19 pandemic and warmly welcomes new members.

It will be so good to get back to having a presence at National and State meetings, and prayer breakfasts.

Ongoing Membership challenge: Be proactive in inviting fellow pharmacists and student pharmacists to join CPFI or renew their membership.

Respectfully submitted,
Greg Carlson, Pharm. D.
CPFI VP and Membership Committee Chair
