

To: CPFI Board of Directors,

For the Volume 26 publication cycle, the title of the Spring 2023 issue was, *“The grass withers and the flowers fall, but the word of our God endures forever.”* Isaiah 40:8. The title of the Fall 2023 issue will be: **Never Fail to Bear Fruit:** *“But blessed is the one who trusts in the Lord, whose confidence is in him. They will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit.”* Jeremiah 17:7-8

Thank you to all those who responded to the eblast call for manuscripts for the Spring. We were blessed to receive more articles than we needed to fill the issue. Those papers will be considered for the Fall issue. However, we could use some more pharmacy with faith stories for the Fall issue, so please get the word out! Another eblast will be sent to the membership soon requesting articles.

I would also like to request some photos. I’m always looking for ideas for the journal cover. Landscapes that are portrait orientation and at least 3 MB resolution work best. Maybe you went somewhere on vacation or have some beautiful scenery near you. If so, would you please share them?

I would again like to personally thank Jennifer Sands for her exceptional editing skills and creative cover designs. *C & P* continues to be a much-improved publication due to her efforts.

Thank you to all who have submitted articles to allow the journal to continue to bless the membership. Please encourage those whom you know with great pharmacy with faith stories to share them with us. I feel honored to be able to serve the membership in this capacity.

Sincerely,

A handwritten signature in black ink that reads 'Mary J. Ferrill'.
