CPFI By-Laws Committee Report November 12, 2024

In May of 2024, the secretary responsibilities were transferred from Dr. Dawn Battise to Dr. Jeff Bates. Dr. Battise had done exceptional work in her role as secretary in previous years.

By-laws

Prior to the transition, Dr. Battise worked with CPFI leadership to update and modernize the organization's by-laws. In June, the CPFI Board of Directors approved the recommendations proposed by Dr. Battise. These updates were communicated broadly with the CPFI membership in September which opened a one-month comment period so members could provide feedback. A formal vote by CPFI members took place in mid-October at which time the by-laws update was overwhelmingly supported. Since that point, the updated by-laws have been enacted and are [now available on the CPFI website](#).

Respectfully Submitted,

Jeffrey A. Bates, PharmD
