## A Few Verses To Get Started

By Jenny Widener

Deuteronomy 31:8 - The Lord himself goes before you and will be with you; he will never leave you nor forsake you. Do not be afraid; do not be discouraged.

It is easy to become discouraged while in pharmacy school. That may be because of a test that didn't go as well as you had hoped or plans that might not have worked out. It is important to always remember that God is on your side.

2 Corinthians 4:16 - Therefore we do not lose heart. Though outwardly we

are wasting away, yet inwardly we are being renewed day by day.

This verse is a reminder that each day is a new day. It is important not to become dejected and lose heart. We can always look to God to help guide us through the difficult situations in our lives. A good nightly prayer can wash away all the worries of the day.

Romans 15:2 - Each of us should please our neighbors for their good, to build them up.

People, myself included, tend to forget that we are all trying to win the same battle. We need to remember to be kind to our fellow Christians, classmates, faculty, and staff. We should lift them up in prayer and give them our love.

Our Annual Retreat was held at Bonclarken Conference Center in Flat Rock, NC. The student portion was a blast! There was lots of fellowship, learning, and love for each other and pharmacy. Some students even got to present their work with the Hands & Feet Grant. We were also able to attend the main conference and hear from pharmacists about how we can serve Christ through pharmacy. We were able to network with fellow pharmacy students and pharmacists. By the end of the weekend, we felt like one big family!

*"Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain."*

1 CORINTHIANS 15:58

Whatever you have learned or received or heard from me, or seen in me—put it into practice. And the God of peace will be with you.
