WELCOME BACK!

Written by Alisa Hendrickson, NSC Publicist

Welcome to our 2022 Winter CPFI National Student Council Newsletter!

We are praying for all of you to have a wonderful new year. In the most beautiful times and the most difficult times of this coming year, please know that God is with you through everything.

We are so excited to see what our chapters are doing all across the country. Lastly, we will share some advice from a CPFI leader, and a testimony from a student!

"Pray continually" - 1 Thessalonians 5:17 (NIV)

A PRAYER FOR 2022

*Teach me, Lord, the way of your decrees,
that I may follow it to the end.*

*Give me understanding, so that I may keep your law
and obey it with all my heart.*

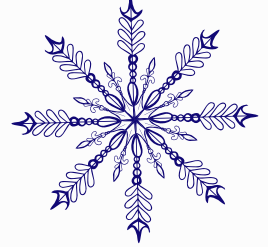

*Direct me in the path of your commands,
for there I find delight.*

*Turn my heart toward your statutes
and not toward selfish gain.*

*Turn my eyes away from worthless things;
preserve my life according to your word.
Fulfill your promise to your servant
so that you may be feared.*

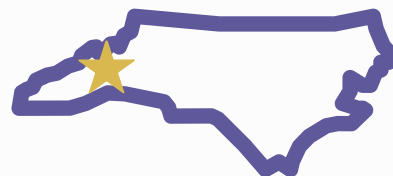

*Take away the disgrace I dread,
for your laws are good.
How I long for your precepts!*

*In your righteousness preserve my life.
Psalm 119:33-40 (NIV)*

How has CPFI helped you in your career?-

"A CPFI chapter had not yet been established at Lipscomb when I was a student, so I am actually new to CPFI and learning the value of this organization alongside the students. I anticipate that CPFI will broaden my professional connections with other Christians and open up new opportunities to use the skills and knowledge I have acquired in my academic studies to serve God. In addition, as a faculty member, serving in this advisory role is providing me an opportunity to get to know my students better."

CPFI LEADER DR. RACHEL CROUCH CONTINUED

How has CPFI affected you personally?

"It has been very encouraging to me to witness the CPFI student members serving their peers and the community. I also appreciate the opportunity to build deeper relationships with the students through sharing our faith. In a time when church gatherings and fellowship with church family have been sparse, I feel particularly grateful for my involvement in CPFI, which has helped to revitalize my faith during this period."

What advice would you give to our members as they go into school and their careers?

"Life is very busy for you all right now, and it is not going to slow down. It can be very easy to get stressed out and brought down by the difficulties that life brings us and forget that we do not have to carry that weight alone. I encourage everyone to make it a habit to talk to God and maintain relationships with others who you can share your faith with. When you are faced with disappointments -- you don't perform as well on an exam as you hoped, you don't get the residency or job that you wanted -- always remind yourself that God has a purpose for your life that you may not yet be able to see. Bring your burdens to Him, lean on others for support, and find peace in knowing that God is in control."

DR. CROUCH'S FAVORITE BIBLE VERSE

"TRUST IN THE LORD WITH ALL YOUR HEART, AND LEAN NOT ON YOUR OWN UNDERSTANDING. IN ALL YOUR WAYS ACKNOWLEDGE HIM, AND HE SHALL DIRECT YOUR PATHS." PROVERBS 3:5-6

STUDENT TESTIMONY- WHAT DOES CPFI MEAN TO YOU?

CorriSSa Adams-

Cedarville University College of Pharmacy.

Cedarville, OH

CPFI Chapter President

What does CPFI mean to me?

"To me it means a network of like-minded people who are all at different points in their faith and career. This gives me people I can lean on when I am struggling in my faith or career. Being a member has allowed me to serve the community in a way that I might not have had otherwise. I have been able to make connections with other Christian pharmacists around the country and be able to gain advice from them on how to implement my faith in my future practice."

CORISSA'S FAVORITE BIBLE VERSE

"FOR I AM NOT ASHAMED OF THE GOSPEL, BECAUSE IT IS THE POWER OF GOD THAT BRINGS SALVATION TO EVERYONE WHO BELIEVES: FIRST TO THE JEW, THEN TO THE GENTILE." -ROMANS 1:16
