

CPFI NSC Summer 2018 NEWSLETTER

NATIONAL STUDENT RETREAT 2018

The 2018 CPFI Annual Conference and National Student Retreat created lasting relationships not only on a professional level, but also on a personal level. Students from all over the country unified together to support one another. We are not pharmacists who happen to be Christians; we are Christians who happen to be pharmacists and we need to support one another!

The next meeting in 2019 will be in Myrtle Beach from May 22-26. It will be exciting to see familiar faces as well as many new faces. All will be welcomed like family, as we are all brothers and sisters in Christ.

HANDS AND FEET GRANTS

Students make a difference in their communities, and CPFI helps foster that by awarding student chapters funds to partner with their communities to demonstrate Christ's love for those who have only known hardships. As students seek opportunities to further God's kingdom, CPFI encourages students to present their projects at the annual meeting. Details for submitting a proposal for a Hands and Feet grant are available on CPFI's website and on the CPFI Facebook page. Students and faculty sponsors should email grant proposals to office@cpfi.org by September 30th. CPFI will issue the grants by October 31st.

Not only does CPFI unite my faith and profession, it allows me to go in depth in my relationships with people all over the country. The profession itself is small but the faith is greater beyond measure! I look forward to seeing the men and women in this organization become the world changers that are needed. This organization has only fueled my fire for the Lord and for this community!

—Fred Starling

RIGHTNOW MEDIA

CPFI now offers rightnow Media to all national members! Rightnow Media visually and audibly engages members. It brings organization and insight to Bible studies whether it is in a group or for an individual. Student chapters can easily utilize rightnow Media for regularly scheduled Bible studies held at their school.

IMPORTANT DATES

- 2018 CPFI Exhibit at CURE Conference, October 20
- 2018 Global Missions Health Conference, November 8-10

- El Salvador, Jan 12-20, 2019
- Athens, Greece, Feb 9-23, 2019
- SE Asia, Feb 14-March 2, 2019

CPFI STUDENT PROJECT SCHOLARSHIPS

The purpose of this scholarship is to encourage students to pursue a career that advances God's kingdom and the profession of pharmacy. The best way to achieve this goal is to offer scholarships to students who aspire to pursue such a career. The focus of the CPFI Student Project Scholarship is to assist with the funding of scholarly components of the project.

STUDENT CHAPTER AWARDS

CPFI awards an outstanding student chapter each year: the *Student of the Year Award* and an outstanding faculty advisor award: *Psalm 145 Award*.

I have really enjoyed my experiences with CPFI; it is an amazing group of people! Everyone involved does an excellent job of integrating their faith into the practice of pharmacy. This organization will help you grow in your faith and in your career as a pharmacist!

—Ashley DeVaughn
